HPFI® Introduces New Workcenter Casegoods

HPFI® (High Point Furniture Industries) is pleased to announce the introduction of the HPFI **Workcenter Collection**. The HPFI **Workcenter Collection** is ideal for teachers' work rooms, resource rooms, meeting rooms, break rooms or multi-purpose rooms. The modular design of storage cabinets and top surfaces can be configured to fit practically any room size. Convenient and accessible storage is provided for commonly used materials. The 42" counter height is perfect as a standing height work surface. Or combine with **Milan Bistro** stools for a comfortable seated work position.

The **Workcenter Collection** modular cabinets can be arranged back-to-back with a 10" overhang on all four sides. They can also be arranged side-by-side for placement against a wall with the 10" overhang only on the front and sides. Each cabinet features a heavy-duty wood storage drawer. Complete access to the rear of the drawer is provided through full extension ball-bearing drawer slides.

HPFI operates in two manufacturing facilities in High Point, North Carolina with over 440,000 square feet of manufacturing space. With roots in High Point, the furniture capital of the world, HPFI combines the skill and expertise of seasoned furniture craftspeople with modern day technology to deliver exceptional value to its customers.
